TO WHOM SO EVER IT MAY CONCERN

We at Ratnamani Metals and Tubes Limited, Kutch works awarded contract to M/s Amchem Products Pvt Ltd for Polyurethane (PU) Coating on Spirally welded pipes. The scope of the contract is the supply of Polyurethane Paint and Coating application at our premises.

Project Name : Water Supply Project of District Chittorgarh from Chambal River,
PHED - Rajasthan
Pipe Size : 3142 mm OD X 16.0 mm Thick.
Material Grade : Fe 410, IS 5504: 1997 & Coating as per AWWA C222 : 2018
Qty : 8107 Meter (72000 SQM)

The inspection and testing were carried out as per approved QAP under the witness of the customer representative and all test results were found satisfactory. The coating application was successfully completed on time with the support of a trained and professional application team of M/s Amchem Products Pvt Ltd.

The entire project was carried out seamlessly, with 100% success from the very first pipe. The commitment, workmanship, and performance of M/s Amchem Products Pvt Ltd is found satisfactory and meets all the requirements of project specification.

Regards,

Mayank Sharma
GM, QA&C
